Festival of Wreaths

This festive annual fundraiser features wreaths decorated by local businesses, organizations and individuals. Wreaths donated are put on display at the museum and are sold to the highest bidder through an online auction.

This year's proceeds will go towards the museum and historic sites internship programs. The **internship programs** provide vital hands-on experience and career development to help students achieve their goals in the museum and historic preservation fields. Donate and become an Aurora History Hero to assist the Aurora History Museum & Historic Sites to train the future leaders of our city's heritage and beyond!

To learn more and to view some wreaths created and displayed at past festivals, visit AuroraGov.org/Wreaths

We have three ways for you to sign up!

Saturday - Sunday: 11 a.m. - 4 p.m.
Monday: CLOSED

We will need the following information when you sign up:

Donor Name
Mailing Address
Phone Number
Email Address

Wreaths can be picked up at the museum with a suggested donation to the Aurora Museum Foundation.

Donation Guidelines

- Must drop off wreaths by deadline or contact staff to make other arrangements.
- All wreath donations should clearly state which product or experience are to be included with the wreath.
- Products, vouchers and/or gift cards must be delivered to the museum to be stored until the auction winner collects the wreath.
- The museum will not post a value unless the product/voucher is at the museum.
- Businesses are allowed to donate products without decorating a wreath. Donated products that do not have a wreath will be attached to a decorated wreath.

Decoration Guidelines

- Wreath donors can provide their own wreaths. The average size of a wreath is 24" in diameter.
- All decoration items must be non-perishable.
- You are not required to include products or gift certificates as part of your wreath donation.
- DO NOT use donated products to decorate a wreath. If product is used to decorate a wreath, it will NOT be included in the monetary value of the wreath.
